

March 4, 2021

Hello fellow VDRC members,

It is that time of year when we are all looking forward to getting outside and enjoying better weather. Last year was a hugely different experience for all of us as we were navigating our way through life in the time of COVID-19.

We are hoping for better times in 2021 but we are not there yet, so the VDRC COVID-19 protocols of 2020 will remain in effect until further notice.

Please check the website and our Facebook page often for updates, as restrictions will be modified as Provincial Health Orders allow.

- Only members of the VDRC will be allowed to ride at the Club, there will be no drop-ins this year.
- If you have any underlying medical conditions, display any of the symptoms of COVID-19, are under quarantine or have a household member under quarantine we ask that you do not come onto the riding club grounds. [COVID-19-Handout-chronic-disease.pdf \(bccdc.ca\)](#)
- Please wear a mask when not mounted if social distancing of 3 meters is not possible.
- Please bring your own hand sanitizer and use it frequently, especially before and after handling gates, jumps, rails, etc.
- Only 4 riders in a ring at once. Only bring essential people with you, no spectators please.
- Coaches - please use the online app Time Tree to book your lesson times. Check the Time Tree app for availability. <https://timetr.ee/pc/vernon> Coaches will be provided a Time Tree administration link upon approval. Please contact Allison Covert if you need assistance. allisonmcovert@gmail.com
- The outside washrooms will be available April 1st. Please leave them clean. There will be a sanitizing station set up outside as per last year.
- The Club House will not be open.
- Please always respect social distancing rules with the groundskeeper and all others.

Thank you for your understanding and cooperation. Anyone not following the rules may be asked to leave the premises.

Sincerely,
Gayle Rowan, President
