

Crony Club Report 2022

Season 10 Crony Club at VDRC was a big success, despite the the dampest spring in a few years!!

Planning started in Feb. 2021, coordinating with Ruth Moore our coach, and the VDRC calendar.

This season we welcomed 14 riders from Enderby, Grindrod, Armstrong, Spallumcheen, Vernon, Coldstream, and Cherryville. We did have 3 riders on our waitlist, but were unable to accommodate additional participants. 2 of the 14 riders are new VDRC members.

Many thanks to Linda Edwards, our VDRC contact, and to Jean Guy who always has the ring ready for us!! Huge THANKS to Ruth Moore who keeps us motivated and challenged to try something new and fun.

Promotional communications directly to all previous year VDRC members is always an issue, but thanks to those who had the VDRC Website updated and made more user friendly, and to the FB page which is now kept current with relevant club info. I did submit a Crony Club article for the first "Newsletter" sent out in the early spring, and responded to 4 inquiries from that communication.

This year I had 76+ e-mails regarding Crony Club activities about the spring riding session.

2022 is the 10th Birthday for Crony Club at VDRC, and to celebrate this milestone we hosted a 2 day Horsemanship clinic with Kelowna clinician/horseman Dustin Drader. We had a full roster of 11 riders, all of whom were Crony Club riders from past and present seasons, as well as one honorary Crony Club rider from Salmon Arm.
