- a. By initialling, the first box you are acknowledging that you (or the person responsible for your horse's care) has discussed the appropriate vaccination protocol for your horse and are following it for the current year.
- b. Below is Equine Canada's Article A519. By initialing the second box, you are acknowledging that you have read and understand Article A519 and acknowledge that you will be required to provide proof of vaccination at VDRC shows and clinics. You also acknowledge that there are no exceptions for providing proof of vaccination or a letter from your veterinarian on official letterhead at Equine Canada Sanctioned events (ie. VDRC Hunter/Jumper Show, VDRC Dressage Show).

- c. Article A519 Vaccinations - All horses attending EC sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1 and 4) vaccinations within six (6) months (+21 days grace period) before arrival at the competition. No horse shall have received vaccination within seven (7) days prior to arrival at the event. Horses not in compliance with this rule may be asked to leave event site at the discretion of competition management.

The frequency of vaccine administration should be as recommended by the vaccine manufacturer or veterinarian. It is recommended that vaccines be administered by or under the direction of a veterinarian. Competition management may request supporting documentation confirming a horse's compliance with mandatory vaccination requirements.

In the case of a horse that is unable to receive either of the vaccines, a letter must be provided with the entry form from a veterinarian, on official letterhead, stating the equine cannot be vaccinated due to medical concerns. At the discretion of competition management, a log of the horse's temperature prior to arrival at the event site or during the event can be requested.

- d. If you have any questions about this section or VDRC's vaccination policy please send them to [info@vernonridingclub.com](mailto:info@vernonridingclub.com).
