**The VDRC Hunter - Jumper Show is  
sponsored by the Demetrick Family in  
memory of Dr. Lois Philp**

*Dr. Lois Philp (March 2, 1932 - August 23, 2013)*

*Dr. Lois Philp was born in Roblin, Manitoba on March 2, 1932. She spent her childhood years in Ontario, where her father operated a livery stable, and she would often skip school to spend time watching horses at the Royal Winter Fair. She moved to Kelowna as a teenager, graduating high school early, and then studied at UBC to obtain a Bachelor of Science in Agriculture.*

*Lois went on to earn her degree as a Doctor of Veterinary Medicine at the University of Guelph, where she was one of the first women to be accepted. After graduation, Lois and her first husband, Dr. Vic Demetrick, moved their growing family west in 1964, settling on a beautiful acreage in the heart of Goldstream, BC—a property that now surrounds the Vernon & District Riding Club. She began breeding and raising thoroughbred race horses and dogs, and became a well-known equine enthusiast in the community.*

*Following her marriage to her second husband, Dr. Ian Philp, she started Crossrail Farm, right next door to the VDRG, breeding Welsh ponies and Jack Russell terriers. She was proud that all eleven of her grandchildren rode on the farm each summer. You could often find her proudly watching her grandchildren—as well as other young riders from the community—riding her little Welsh ponies from the deck of the VDRG clubhouse.*

*Lois passed away on August 23, 2013, leaving a void in the equine community. Her Celebration of Life fittingly took place at the VDRG in the summer of 2013.*

*The 2022 VDRG Hunter Jumper Show is sponsored by the Demetrick Family in  
Dr. Lois Philp's memory.*

## STATEMENT OF PRINCIPLES

EC is committed to:

- b) requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment;

- f) requiring owners, trainers, and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and,
- g) reviewing, revising, and developing competition rules and regulations that protect the welfare of the horse.

In determining whether conduct or treatment is cruel, abusive or inhumane, the standard to be applied will be the conduct or treatment expected of a reasonable person who is informed and experienced in equine training and exhibition procedures.
