About the Vernon District Riding Club

The Vernon District Riding Club (VDRC) is the premier equestrian club in the Interior of British Columbia.

In addition to our significant membership, we draw students and competitors from around Western Canada to our shows and educational events.

VDRC was founded in 1945 and has a long history in the Okanagan Valley.

The club is a warm and welcoming place for equestrians of all levels and disciplines and a beautiful park-like setting for community members to enjoy.

About Our Events

Our shows are designed for all levels of competitors. We host schooling shows for those just entering competitive showing as well as provincially and nationally ranked shows that draw up to 100 horse & rider pairs from around the country and the US.

We host social events that bring our community together including members, non-members, neighbors, community members and public figures.

We facilitate and host lessons with internationally known high performance coaches. Our mandate is to make these educational opportunities accessible and affordable to riders of all levels.
