ABOUT THE PERCENTAGE DAY

- We wish to acknowledge the land on which the VDRC operates is the unceded territory of the Sylix (Okanagan) Peoples.
- The practice day is not a competition. It's a chance to get out in an encouraging "show" atmosphere and have an opportunity to further your dressage skills. Everyone is welcome.
- The objective is to raise your percentages after the judge's feedback. You may opt to re-ride the same test or another test.
- Max. 2 tests per horse/rider combination. For those that wish to ride additional tests, we will accommodate your request if time permits (please contact the secretary)
- Each scheduled test allows for the test riding, plus additional time to for live feedback from the judge.
- Feedback may be videoed/recorded from outside the field of play (outside of the sand area) by a person appointed by the rider. **Absolutely no videoing from the inside the test ring/inside the warm-up or within the "field of play areas".**
 - **NOTE: Tests will have marks but will be left to the rider to tally their score. Instructions are available for those that are not familiar with the process.**
- Percentage days are run solely by volunteers. Without their dedication the percentage days would not be possible. Please consider lending a hand. Wish to learn how to scribe or score? Just let us know.
- **CLOSING DATES: one week before the percentage day or when all time slots are full. Priority to VDRC members**

To avoid disappointment, have your entry in early!

Waiting lists will be in priority of entry received and to VDRC members then non-members.

Entries must be complete on the Compete Easy portal with all accompanying information (See check list).

RIDE TIMES: Posted to facebook VDRC page the evening of Wednesday before the percent day.

Times will be emailed to the email on the entry system with Compete Easy.

Thank-you for choosing to participate at our VDRC percentage day!

Your support is appreciated.
