# *The 2026 VDRC Hunter Jumper Show is sponsored by the Demetrick Family in Dr. Lois Philip's memory.*

*Dr. Lois Philip was born in Roblin, Manitoba on March 2, 1939. She spent her childhood years in Ontario, where her father operated a livery stable, and she would often skip school to spend time watching horses at the Royal Winter Fair. She moved to Kelowna as a teenager, graduating high school early, and then studied at UBC to obtain a Bachelor of Science in Agriculture.*

*Lois went on to earn her degree as a Doctor of Veterinary Medicine at the University of Guelph, where she was one of the first women to be accepted. After graduation, Lois and her first husband, Dr. Vic Demetrick, moved their growing family west in 1964, settling on a beautiful acreage in the heart of Coldstream, BC—a property that now surrounds the Vernon & District Riding Club. She began breeding and raising thoroughbred race horses and dogs, and became a well-known equine enthusiast in the community.*

*Following her marriage to her second husband, Dr. Ian Philip, she started Grossrail Farm, right next door to the VDRC, breeding Welsh ponies and Jack Russell terriers. She was proud that all eleven of her grandchildren rode on the farm each summer. You could often find her proudly watching her grandchildren—as well as other young riders from the community—riding her little Welsh ponies from the deck of the VDRC clubhouse.*

*Lois passed away on August 23, 2018, leaving a void in the equine community. Her Celebration of Life fittingly took place at the VDRC in the summer of 2018.*

*Her legacy lives on through the next generation. Her two great-granddaughters have since taken up the sport, continuing the family tradition of riding Welsh ponies – a beautiful testament to the love of horses that Lois kindled in her family, and community.*
